## A PARTNERSHIP THAT BRINGS TREMENDOUS VALUE TO SOUTH OCEANS

We have been courting each other for over 9 months. And finally in beginning of April, we signed a MOU to set-up the Most Comprehensive Wellness Sanctuary in the World @ South Oceans™.

Spread over 20 acres of rich eco-forest reserves and fronting the panoramic view of the Oceans, we are building the Most Comprehensive Wellness Sanctuary in the World @ South Oceans™.

It is a heavenly place for you to restore and rejuvenate your body, soul and mind.

We bring well-known International therapists (the top 12 leading experts in the world) to lead and manage the Sanctuary.

We will let you in on the details in November/December when we are officially launching the Most Comprehensive Wellness Sanctuary in the World @ South Oceans™.

Adval Capital is our partner in this Sanctuary.

They have conceptualised, invested and managed the following international world's famous projects:

- 1) Helped Singapore Tourism Board launch post SARS recovery program – Roaring Great Deals
- 2) The famous Singapore Flyer
- 3) The Alive Museum, the first 4D interactive museum with digital art in Singapore

Kairos and Dashen Resources (Rompin) Bhd has extensive reach and contacts in Malaysia, Singapore, Greater China, Korea, Europe and Russia.

Into South Oceans™, we bring our International Partners like Adval Capital Singapore, anchoring and boosting the brand of South Oceans™ internationally.

South Oceans™ will be bigger than Asia. This is our goal.

That when anyone flies to Asia, they will want to come to South Oceans™. South Oceans will be one of the top 10 travel destinations in the world.
