Global Forway Sdn Bhd (GF) and Kairos & Dashen Resources (Rompin) Bhd (K & D) has signed a MOU on 1st February 2016 to prepare for the Joint Venture on the North Corridor International Exchange XI with Smart City @ South Oceans.

Our vision is that we want to become the only XI International Exchange / HUB for the North Corridor in Malaysia (North and East Malaysia).

The scope of the North Corridor International Exchange XI is as follows:

- 1) To enhance East Coast Economic Region ECER telecommunications infrastructure to worldwide standards in order to achieve South Oceans™ and the Joint Venture (GF and K & D) commercial goals;
- 2) To build a Super High Speed Connection to the ECER with competitive pricing;
- 3) To increase telecommunications infrastructure capacities up to minimum Five (5) times and above from current ECER environment;
- 4) To carry out the concept of sharing - neutral fiber and common ducts to all telco providers to improve and upgrade to International Redundancy Standards;
- 5) To build a telecommunications ICT facility in South Oceans' Smart City;
- 6) Extend ECER IX link to current three major IX in Malaysia.
 - A) South Region JB / Singapore
 - B) Central Region KL / PJ / CyberJaya
 - C) Mersing Submarine Cable Landing Station

And the North Corridor International Exchange XI's customers segments are as follows:

- 1) To serve Companies and Individuals in the North Corridor (North and East Malaysia) with Super High Speed Connection
- 2) To serve the cutting edge and innovative SMART CITY @ South Oceans
- 3) To cater to current investor requirements in the North Corridor Gateway (North and East Malaysia)
- 4) To attract more potential investors from overseas and nationwide to the North Corridor Gateway (North and East Malaysia)

This Joint Venture, a subsidiary of K & D, when operational will yield us RM\$500 M per year. This is one of the milestones that sets K & D forward to achieve its financial goal by 2020.
