Www.SouthOceans.com

It is with much sadness to inform you that our colleague Kristen Ng, Regional Director of Business Development, has passed on to heaven. She and her husband met with a car accident.

Kristen Ng is a very close friend of mine. I know her husband and her for over 10 years.

She was an excellent performer and hence subsequently she was promoted to Regional Director position.

We are going to miss her and her husband. We are comforted that they are now in heaven.

Thank you for your prayers and concerns.

Board Directors

KAIROS & DASHEN RESOURCES (ROMPIN) BERHAD

Our land size in South Oceans is 1200 acres. In 2016, we are setting aside 130 acres of land (10.83% of total land size) for sale. In 2017 when the economies have improved, we will be allocating more land for sale.

In April 2016, we are launching our 1st land sales in South Oceans. Each plot is approximately 3000 square feet and priced affordably for retail buyers. These leasehold commercial plots are meant for mixed development. The land area is 50 acres and will gross us approximately RM 20 M.

Following the land sales, in Q4 of 2016, we will be launching the 1st villa sales in the Wellness Sanctuary. This is a very exciting project as the villas are uniquely designed around the World's Most Comprehensive Wellness Sanctuary. The land area is 80 acres which will gross us approximately RM 120 M sales.

We are also progressing well in our development of the NORTH CORRIDOR INTERNATIONAL EXCHANGE XI WITH SMART CITY @ SOUTH OCEANS. The Exchange serves 2 customers groups : (1) Smart City @ South Oceans (2) North and North East of Malaysia. The segment is expected to generate RM 500 m annually.

In addition, I mentioned that we will be acquiring more land near Singapore. In Q1 of 2017, we will be launching our **ISLAND of 1000 Islands**. This island is located 15 minutes from Singapore. We expect this project to gross us RM 800 m.

K & D is on track on achieving our market capitalization of RM 500 M by 2020
